Can Habitat for Humanity of Berkeley County REALLY build a house for \$100?

Sooooooooo..... can you help us build a house for \$100?

The math works like this. The fund raising has already begun. But, we need \$30,000 to raise enough money to build the Women Build House. So, we need to find 300 volunteers/donors who each contribute \$100 to the material cost of the house.

You can boast that you helped build a simple, decent house for a 100 bucks, and you get a tax deduction to boot! You may also make the donation in honor or memory of a loved one – your spouse, children, grandchildren, etc. All donors are welcomed to work on the house, if they choose, and will be invited to our largest house dedication ever. We expect to have lots of news coverage with this being our first Women Build House.
